

## HEALTH AND SAFETY POLICY STATEMENT

The Corporation of the Township of Conmee is committed to:

1. Protecting the public and its employees from personal injury.
2. Safeguarding equipment and property from accidental damage or loss.
3. Protecting the environment from accidental contamination or damage.

In an effort to fulfill this commitment, the Corporation of the Township of Conmee and its employees will maintain and actively enforce an effective accident prevention program, intended to ensure safe and healthful operations at all our projects and sites, as per legislative requirements and acceptable industry standards.

It is the policy of this Corporation to take all practical steps to safeguard the public and employees from accidents and occupational health hazards by maintaining a safe, efficient workplace at all times.

The safety of the public, the safety of the worker, the protection of the environment and the safety of Corporation equipment shall be of utmost importance in our endeavours.
